PARTNERS

We welcome truly reputable, well-connected new sales (referral) agents/partners who will certainly bring us genuinely qualified high net worth/wealthy new client families. They can also help us set up appropriate speaking events or workshops for students/parents or enterprises in the US or China/Asia.

CLIENTS

We at ThreeEQ warmly welcome interested, caring and wealthy Chinese and American parents with motivated children of ages 10 to 30+. Our client parents understand the value of investing premium price for premium quality. They are sophisticated and prefer high-quality, personalized, 1-on-1 mentoring/coaching/guidance, NOT lower-quality learning centers for the masses and fakers in China and the US!
